Welcome to our look book.

Spending time outdoors was always important to our family. In fact, it's the reason our my father started building outdoor furniture on our farm and ultimately founded Casual Comfort in 2004.

Today, our artisans continue our family's tradition of crafting poly furniture that's beautiful, durable and low maintenance — and encourages people to enjoy the outdoors, whether for fun or quietude.

We offer unique collections for every taste and style, from simple to elegant...colorful to cozy. Whichever you choose, you'll always get a quality product and superior service — the hallmarks of Casual Comfort.

As you browse our Look Book, we hope you're inspired to create your own outside oasis. And don't forget — Enjoy Life Outdoors™.

CREATE YOUR BACKYARD OASIS

5 Reasons

to Enjoy Life Outdoors with Casual Comfort Furniture

**Why buy Casual Comfort furniture?
Here are 5 reasons:**

1

Sustainable Material

Poly lumber is an eco-friendly, recycled plastic product that's safe for daily use and safe for the environment. It's also fade-resistant and doesn't promote bacterial growth. All you need is a little soap and water to keep it spotless and beautiful.

2

Quality Craftsmanship

Our company and team of expert artisans are passionate about our craft. From using the best materials to making sure each furniture piece is clean and well-built, we stand behind the quality of our products 110%.

3

Designed Comfort

Your furniture should not only look good, it should feel good too. Our collections are designed for comfort and built with hidden fasteners that firmly hold the furniture together and keep all screws out of sight. This is a unique aesthetic feature that some other poly furniture manufacturers don't offer.

4

Fast Delivery

We know you want to enjoy your furniture as soon as possible. That's why we strive to achieve the best lead times in the industry. Once your order is received, our craftsmen get to work creating your beautiful pieces.

5

Superior Service

Casual Comfort customers are happy, faithful customers. We take great pride in our unparalleled customer service and quality, which is backed by a generous 5-year commercial/20-year residential warranty.

Introducing THE MARINA COLLECTION.

After several years of development and product testing, Casual Comfort is proud to introduce its new collection. The Marina Collection features a modern design with a woven poly backrest similar to the woven designs that have been loved for generations. It's a style that will feel right at home in any setting.

// We used a technique that, as far as we know, hasn't been done before with poly furniture. We were able to combine a highly sought after look with the nearly indestructible characteristics of poly. It's fun to see the buzz already forming around this new line. //

WHEN KIDS RULE

Family time starts here.

► **Spending quality time outdoors** with family and friends gives you a chance to breathe, enjoy each other's company and make new memories that will last a lifetime. There's nothing better.

The family fun you create is all up to you. Serve up s'mores by your firepit at the annual family reunion. Or quietly take in a peaceful sunset with the grandkids from your front porch rocker or swing.

Our collections offer everything you need to create an amazing outdoor space where fun can be had by all — from the young to the young at heart.

Lounge in your chaise or Adirondack at the pool party. Host an amazing dinner celebration on your deck. Or invite the neighbors over for happy hour at your bar. The options are endless.

Kick Back.
Relax.

COASTAL PARADISE

ON THE WATER

Coastal Paradise.

► **The sun, the sand,
the ocean breeze.
Isn't life always
better at the beach?**

You'll have no worries when creating an outdoor oasis on the coast, because our weather-proof furniture stands up to the toughest of Mother Nature's elements. So grab some coffee and your folding Adirondack and head to the sand to watch the sunrise. Or relax on your rocker with a glass of wine as the sun sets on the bay. The choice is yours!

ON THE **WATER.**

Whether it's a long day on the beach, or the office, a Bay Shore dining set with sling chairs is perfect for winding down and refueling. With the added comfort of the sling chairs, there's never a rush to get up from the table.

of Wood
WITHOUT THE UPKEEP

Details: Bay Shore Collection, pg. 38, Fire Pits, pg. 46

The beauty of wood **without the upkeep.**

- Our Natural Finishes poly lumber lets the classic beauty of wood take center stage.

And the best part? You get the look and feel of real wood without ever having to paint or refinish. Hassle-free, low maintenance.

Enjoy a rich, timeless look for your outdoor entertainment space by choosing one of our darker finishes. Or create a light, serene setting for your afternoon friend & family gatherings by opting for a lighter finish.

Create Your
Backyard Oasis

Create your
backyard oasis.

Details: Bay Shore Collection, pg. 38, Fire Pits, pg. 46

► A backyard space can provide wonderful privacy

and a much-needed escape from the busy days that can sometimes make us lose sight of what's most important in life.

Our garden benches, gliders, swings and conversation tables can be paired with endless color combinations of cushions and pillows to create the perfect backyard oasis, whether for two people or twenty.

So sneak outside for a cat nap — or invite a few neighbors over for game night!

Soak Up
The Sun

SOAK UP THE SUN.

► Spending time
poolside can offer
the best of both
worlds. What's your
favorite way to
soak up the sun?

You can turn up the fun factor while you celebrate with friends by the bar, buffet or fire pit. Or you can dip a toe in the water, then rest in quiet solitude from the comfort of your own chaise lounge. Our furniture makes it easy for you to design any poolside vibe you desire.

► Style Your Casual Comfort Set

With 25 poly lumber colors to choose from and multiple fabric selections, our color palette offers nearly limitless design options.

We asked some professional décor stylists what color combos they would pair for their clients. Here are some of their top pics for 2020. How would you style your Casual Comfort set?

Sophisticated & Stylish

Fun in the Sun

Our durable poly lumber is fade-resistant and won't crack or rot — even in the hottest and coldest temperatures. And the hardware fasteners we use are made of chrome-plated stainless steel — the same strong material used in the marine industry. It resists corrosion better than typical grades of stainless steel, which is why Casual Comfort furniture is a popular choice for outdoor spaces where harsh saltwater conditions exist.

Post consumer milk bottles are collected from community recycling programs.

Baled milk bottles are sorted and items removed which would affect quality.

Bottles are then ground to flake size, washed, dried and repelletized.

Pellets are remelted and shaped into plastic lumber.

Recycled plastic lumber is fabricated into a variety of outdoor living products.

POLY'LUM

Corrosion Resistance

If you live near salty sea air, relax. Your Casual Comfort furniture hardware can take nature's pounding. Our fasteners are chrome plated stainless steel. Used widely in the saltwater marine industry, these fasteners resist corrosion better than the typical grades of stainless steel.

Natural Finishes

Wood is the look that never goes out of style. Our Natural Finishes lumber mimics the look and feel of real wood, but comes without the splitting and rotting. The smooth, worn feel of the Natural Finishes lumber will give your outdoor space a whole new ambience.

Proper care & maintenance for your fine piece of poly furniture

Poly Furniture is made from High Density Polyethylene (HDPE), a recycled plastic that will never need to be painted or stained.

It will not rot or splinter, and it contains an added UV protective agent to resist fading. Poly furniture is not affected by most corrosive substances, and will not promote bacterial growth.

To maintain the beauty of your furniture, clean it regularly with soap and water. Use only nonabrasive soaps. Do not place flower pots or any items on furniture that will leave stains. Do not place hot items directly onto furniture to avoid melting. All hardware is stainless steel and virtually maintenance-free under normal conditions. However, in coastal areas, hardware will need regular rinsing with fresh water to eliminate rusting.

If you properly care for your fine piece of poly furniture, you will be able to relax in it for many years!
