

**breeo**  
*Become a Firemaster!*

Here at Breeo, we are passionate about bringing people together through fire and food. With our handcrafted, American-made, and lifetime-warrantied fire pits, you will have the tools needed to become a Firemaster, someone who has the ability to build beautiful fires and to cook epic meals over those open flames. All of our fire pits are built with the same secondary combustion technology that we pioneered almost 10 years ago, allowing you to enjoy smokeless fires all year round.

Our newest product line, the Phoenix, is designed to be just as legendary as the ancient mythical bird rising from the ashes in a blaze of glory. Designed for the backyard grillmaster, it's the only fire pit with our patent-pending Sear Plate. With the ability to sear steaks at 1,000 degrees, a patent-pending post lock system, and optional accessories including a newly redesigned grill and kettle hook, the Phoenix Fire Pit™ is the grilling experience of a lifetime, as well as an epic backyard fire pit.

MORE COOKING FUN!**

# DOUBLE FLAME

## *Smokeless Fire Pit*

The Double Flame Fire Pits were designed as a smaller, more portable option for those campfire enthusiasts on the go. Although it remains very heavy-duty, we've designed this fire pit in two different sizes; the Double Flame 19" is perfect for the RV or campsite, while the Double Flame 24" is perfect for the backyard and the occasional transport to the cabin or beachfront! Our Double Flame Fire Pit is one of our top-rated and most popular smokeless fire pits, try one today!

The original Breeo fire pit, the Ablaze won the Best-In-Show Vesta Awards in 2014 with *Hearth & Home* magazine. A free standing, heavy-duty fire pit, the Ablaze is designed to be both a fire pit and a grill. Attach one of the optional add-on Breeo grilling accessories and watch as your friends and family stand in awe of the Firemaster before them! Built with heavy gauge steel and painted with a high-temperature outdoor coating, the Ablaze feels right at home at a cabin or in the backyard.

Modern & elegant with clean lines and an air of sophistication, the Luxeve fire pit brings class to the world of wood-burning fire pits. Designed in stainless steel with a powder-coated exterior wall and colorful fire pit glass around the rim, the Luxeve allows you to create your own unique look. Designed for use on patios and outdoor spaces all across the country, the Luxeve is a beautiful campfire experience.

# LUXEVE

## *Smokeless Fire Pit*

# ZENTRO *Smokeless Fire Pit Insert*

Designed for the patio enthusiast, our line of Zentro products are designed to accommodate any type of block, stone, or concrete backyard fire pit surround! We offer three Zentro fire pit sizes that fit almost any size fire pit surround. Installation time needed to turn your smoky block fire pit into an efficiently burning & beautiful centerpiece is less than a minute. No assembly is required, simply drop your Zentro unit into the top of your surround. Attach any of the optional add-on Breeo grilling accessories to your Zentro and cook an epic meal, then remove, and settle in for a long evening of relaxing around your smokeless fire!

Square or Round.**

# MASONRY SURROUND KIT

*As Easy as 1, 2, 3!*

The Masonry Surround Kits are designed for the Round & Square Zentro 24" Smokeless Fire Pit Inserts. These kits are constructed with precast panels made from fiber-reinforced polymeric concrete mix, that look like real stone. Installation is simple and can be done quickly with 1-3 persons. Upon construction, each kit measures 19.5" tall and has an outside diameter of 44". These American-made kits are an excellent option for those looking for a simple DIY fire pit surround solution.
